## Foreword to the Journey of Education and Eternal Life

Godson public school was started in June 2011. Our school provides the art of discipline and leadership qualities to the students. Our staff members are here to bestow knowledge and skills and always been a supporter of your children's activities. The school follows syllabus authorized by CBSE, New Delhi. Our school adopts a high-quality academic program. Students are induced and impressed upon to develop their abilities. Here in school we encourage the students' ability to develop their reading skill which, lead them to use the library. To attain knowledge, we provide them with different kinds of books. Our campus is well equipped with laboratories, computer labs, and library. Godson children have gained victories of adorable awards in inter-school competition.

Our school is founded by illustrious mentor Dr. Paul Renganathan, who wants his students to attain wisdom and face the society without any hurdle. Godson is co-educational school. This helps students to transform unity. Our school has better sports experience such as yoga, aerobics, chess, carom, taekwondo, etc... Each student has empowered with literary knowledge and develops the ability of computer skills which helps students to shine in technological society. Our school provides regular health checkups to our students. Students are taken to trip every year not only for enjoyment but also to gain educational qualities and knowledge of outside world.

## Our Target Point

Our school imparts the knowledge which turns into wisdom to your children. Our motive is to create a strong educational environment in the midst of children that helps your kid to achieve their goals and to overcome their fears.

-  Children have to recognize their social and cultural values.
-  To obey, learn about ethics, and develop their personality.
-  To reap the rewards in the life of children.
-  We provide a door for your children's future.
-  We are here to sow the seeds of leadership qualities to face the world.
-  We make excellence in learning to strive for the developing of individual potential.

## Perception

We respect eminence and virtue of all students under our care. We encourage students to achieve the full potential and abilities and mould our children to face the challenges in life. We equip our students with integrity, social harmony, responsibility, and resilience.

The school was launched in the academic year 2011-2012 from classes KG to X. Our school provides best quality education with affordable fees. A pleasant infrastructure that creates a learning stimulation, in the midst of the students along with practical learning solutions.

## **Tweet From The Correspondent**

---

My warm greeting to dear parents and students,

GODSON PUBLIC SCHOOL is a warm and welcoming learning community, committed to creating the best possible educational experience for every child. We aim to enable all children to reach their full potential. At Godson acquisition of academic and personal skills are important. Our students perform at levels within a nationally recognized curriculum. Our school goes well beyond academic performance and skill development. We are concerned with the development of character in our students and encourage a sense of responsibility and self-discipline. Life for many young people these days is something of a battleground. During the impressionable years, young people need positive role models and a secure schooling environment. Here learning is a continuous process and the students are given all the required assistance through teachers who are dedicated to teaching, supported by other infrastructure facilities that assist learning. Our school, unique for its multicultural blend of ideas, nurtures tolerance, mutual respect, and trust. Studies alone do not help mold student's character. It is the school, its location, its facilities and ambience that aid in the overall character development of the student. In our school we emphasize on integrity and cultural sensitivity. Wishing the students a happy learning experience at Godson Public School.

Warm regards,

**Dr. Paul Renganathan**

## **Tweet From The Principal**

---

Dear Parents and Students,

GODSON PUBLIC SCHOOL is a realization of the dream of a great visionary Dr. Paul Renganathan. With a humble beginning in the year 2011, it hails as a defining milestone in charting the horizon of education in Chennai. The school aims at shaping young minds with moral values through rigorous supervision. Education upholds the idea that each child is unique, precious and can be the “light of the world.”

GODSON is a garden of talents flourishing and flowering in the great march of transforming the society with liberal vision. Education is the backbone of a progressing nation and character formation and quality education mold the young minds with positive thinking with designed colorful wings of peace, love, hope, and unity.

With blessings of God Almighty, our brilliant students with the constant support of dedicated staff brought remarkable achievements in academics viz. Grade X CBSE Board Exam for the past three consecutive years 2014-17.

GODSON believes in the golden principle. A Good Teacher Explains, Superior Teacher Demonstrates and a Great Teacher inspires. I foresee a bright future for GODSON, as the journey of success will continue in turning ordinary minds into brilliant ones, from innovations to explorations, to face the challenges in life. I thank God Almighty for all His blessings and guidance throughout. May God bless you all.

With Regards

**Mrs.Archana Praveen**

## Admission Procedure

As our school is a co-educational institution, we admit both girls and boys, subject to the availability of seats irrespective of caste, creed, community or social status. We believe in students' ability and their potential.

- A candidate seeking admission has to obtain an application form from the school office and the forms should be filled with the knowledge of the candidate. Each and every column must be filled accurately and submit it before the submission date. The forms are to be attached with supporting documents like mark list, birth certificate, etc. The candidate will be admitted to the concern group for which candidate he/she is found fit.
- Admissions opened for the academic year 2018-2019.
- Candidates are admitted on the merit of marks scored by the students from the schools affiliated and approved by STATE, CBSE, etc.
- Candidates who are coming from other than CBSE schools will also have to get their TCs endorsed by the appropriate and competent educational officers.

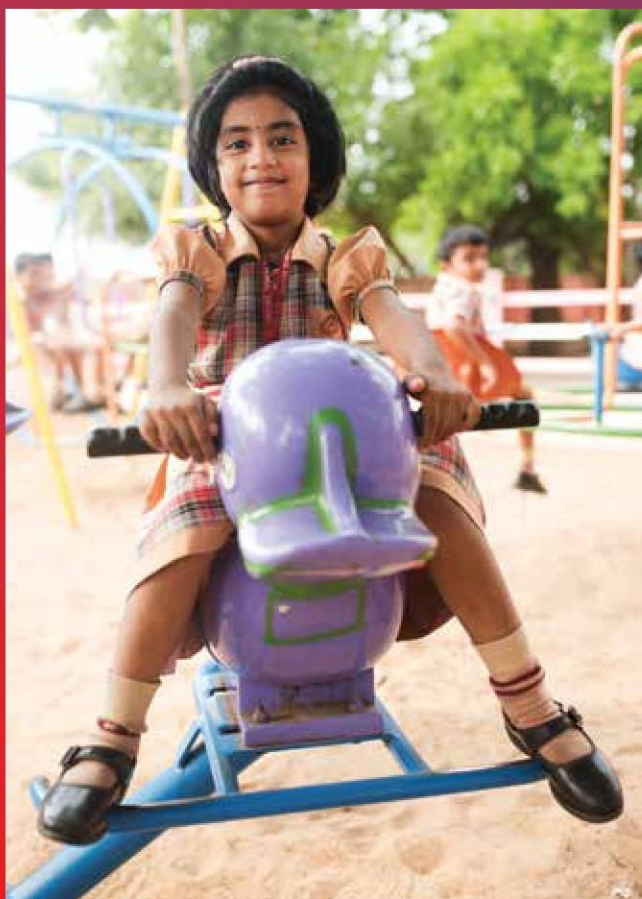

## Results of Class X- in the Academic Year 2014-2017

We have achieved cent percent results consecutively for the last three years, and our students have secured mostly CGPA 10/20 and others more than 8.6/10. Our class X results had re-assured and proved the saying "Hard work is the key to success." The performance, in short, shows the effort and efficiency of the management and faculty to bring more meaning to the saying "the results you achieve will be in direct proportion to the effort you apply."

## Beginning Of Class XI

The school will be upgraded to senior secondary level with grade XI & XII from 2018-2019, by widening the possibility of learning and nurturing the future citizens, and there is no doubt that the school will once again achieve new milestones.

- **GROUP I** - English, Maths, Physics, Chemistry, Biology.
- **GROUP II** - English, Maths, Physics, Chemistry, Computer science.
- **GROUP III** - English, Biology, Physics, Chemistry, Computer science.
- **GROUP IV** - English, Maths, Business Studies, Accountancy, Economics.
- **GROUP V** - English, Economics, Business Studies, Accountancy, Computer Science.

## **Constantly Upgrading Infrastructure**

The school has spacious classrooms with a pleasant environment and well-furnished atmosphere for learning. Air-Conditioned classrooms for kindergarten children. Smart classes help you to provide the joy of easy learning without any stress shows the way of practical learning. Chairs and tables take your day with brisk surroundings.

## **Environmental Awareness**

Environmental awareness proves important for several reasons; it fosters a sense of connection to the natural world, promotes sustainable development and encourages conservation of irreplaceable natural resources and vulnerable plant and animal species. Education can provide better awareness or a variety of environmental issues that take place day by day. In order to hold a candle to the productive and constructive activities, we create environmental awareness in and around our school premises. Tree plantation and cleanliness but also ensured the great transformation in their outlook to be the “hope of society,” Students are guided to protect the environment by giving proper awareness on the need of CLEAN GREEN INDIA. The school organizes various activities on international days such as Earth Day, UN day, World Forestry day, etc. It makes the students become aware of the many environmental issues and take actions accordingly.

### Computer Lab

Technology plays major role in twenty-first-century education. The new model of integrating technology into the curriculum means that computer education is essential. The use of technology in the classroom can enhance learning. We have well-equipped computer labs with computers having the latest configuration. There are well-trained computer teachers who have undergone extensive in-service training to enrich the students with latest emerging technologies in computer education.

### Laboratory

The school has well-equipped physics, chemistry and biology laboratories for middle and secondary senior secondary classes. To make science education student friendly, the children are allowed to do practicals independently under guidance & supervision.

### Physical Education

Why the quality physical education is important? Quality physical education programs help all students develop health-related fitness, physical competence, cognitive understanding, and positive attitudes about physical activity so that they can adopt healthy and physically active lifestyles. Therefore, emphasize physical education as a part of education and physical education periods are allotted for all the classes and training is imparted by experienced and professionally qualified trainer. Attendance for physical education class is compulsory for all pupils except those exempted on valid medical grounds.

### Celebration

Along with fun and enthusiasm and various celebrations, the qualities of simplicity, sensitivity, and creativity are emphasized among the students. Interesting science projects are exhibited to encourage the future geniuses, debate, competitions, and many other important days are celebrated. The school provides an exclusive exposure to various events.

### Hostel

Godson nanookutty hostel is run on the Christian principles of love, discipline, honor, and services. Planned to help young men and women to become mature and responsible citizens who can use their freedom wisely and at the same time practice self-discipline. The hostel built with having safety and comfort of the inmates as its main priority. Tasty meals are prepared in hygienic environment with care. The hostel is guaranteed to provide every inmate a pleasant stay.

The environment we provide will seem like a second home. The students, staff and the management are a family that works together for the wellbeing of students.

The management are very friendly to connect with you, so contact us to clarify your doubts via the mail or contact number.
